PRRP invites you to the 1st Regional EPA TFW Meeting

TRASH FREE VALANTERS

DATE:

Friday, April 8, 2016 Site Visits on April 9, 2016

TIME:

9:30AM to 6:00PM

WHERE:

CIAPR-Mayagüez Chapter (see attached map)

IMPORTANT:

Continuing Education Credits have been requested for all the participants.

Food Trucks implementing Sustainable Materials Management Practices will be selling breakfast & lunch.

Locally and internationally recognized speakers:

Marcus Ericksen from 5 Gyres will for the 1st time be in Puerto Rico

Recently adopted laws and regulations will be discussed by the state and federal agencies.

Reservation is required by March 30th 2016.

RSVP:

siand100@syr.edu cohemis@uprm.edu

OBJECTIVES

Promote and encourage organizations and local community members to join the PR TFW Initiative.

Conduct demonstrative presentations related to the 5 Pilot Projects based on the 5Bs (Plastics Boxes, Plastics Bags, Cigarettes Butts, Micro Beads, & Plastic Bottles).

Engage and establish mechanisms of collaboration between local environmental organizations and the TFW team.

Please see the attached

agenda for more details

First PR Trash Free Waters Regional Meeting

Puerto Rico Recycling Partnership April 8 and 9, 2016

College of Engineers and Surveyors - Mayagüez Chapter

Time	The area	, , , , .	_	
	Theme	Speakers		
9:30AM	Welcome Messages	Municipality of Mayagüez, Mayor	Hon. José Guillermo Rodríguez	
		UPR-RUM Chancellor	Dr. John Fernández Van Cleve	
	(3-5 minutes per person)	Sea Grant College Program Director	Ruperto Chaparro

First PR Trash Free Waters Regional Meeting

Puerto Rico Recycling Partnership
April 8 and 9, 2016
College of Engineers and Surveyors -Mayagüez Chapter

April 9, 2016 PR TFW Meeting Field Activities UPR Sea Grant College Program

Site Visit to the Tres Palmas Marine Reserve (RMTP). The field trip activities will consist of 2 sections: land- and marine-based tours. During the field trip to the RMTP three simultaneous activities will take place; a workshop on beach sand composition, a workshop on marine ecosystems and a snorkeling tour in the RMTP. Each person will have the opportunity to participate in the three activities. For logistics purposes, the group is divided into three subgroups: while a group is snorkeling, the other two groups will participate in the training and vice versa. Training will be provided in part by students from the Manuel García Pérez High School, who are part of the Ecological Guides Project of the Sea Grant program RMTP

Upon completion of the field trip at the **Tres Palmas Marine Reserve**, we will move to the **Rincón Old Landfill**. During the visit to the landfill Ms. Myriam Méndez, will share with us some of the impacts that the eroded landfill has caused on nearby communities.

Sea Grant will provide life vests and snorkeling equipment. Each group will be accompanied by two people, first aid certificated, who will provide assistance.

We encourage each participant to wear mosquito repellent, comfortable clothing, sunscreen and closed shoes.

Time	Activity	
8:30 - 9:00 am	Welcome and Register at Steps Beach	
	Group A - Snorkeling	
9:00 - 9:40 am	Group B – Beach Sand Training	
	Group C – Marine Ecosystems Training	
9:40 - 10:20 am	Group A - Marine Ecosystems Training	
	Group B - Snorkeling	
	Group C – Beach Sand Training	
	Group A – Beach Sand Training	
10:20 – 11:00 am	Group B - Marine Ecosystems Training	
	Group C - Snorkeling	
11:00 – 11:15 am	Transportation to Rincón Old Landfill	
11:15 am – 12:00 pm	Rincón Old Landfill Visit	

PR TFW will be participating in the 2016 PR Water Quality Monitoring Day Join Us!!!
